

Quantifying the Road Map to Net Zero Energy

Interns: Nicole Lemieux (ENVS'24), Jamie Peyton (CDAE'25), Timothy Goettelmann (ENVS'25), Charles Scribner (ENVS'24), Annabel Resor (ENVS/BSAD'25), and Noah Anderson (NR'26)

Mentors: Jack Locker and Gary Hawley

The Rubenstein School has been working for over 10 years to make our energy use more sustainable. We have strived towards Net Zero Energy in the School's buildings (Upper left then

The goal of the Quantification group is to track energy usage for the buildings of
