Guidelines for Honorific Naming

University Facilities and Programs may be named for a person, family, or entity associated with the University community who has rendered distinguished academic or professional service to the University or who has made a significant historical or social contribution to the University or the state of Vermont, provided that individual, family, or entity has a prominent relationship with the University and/or the region. Naming for individual, family, or entity is an honor that forges a close link between the individual, family, or entity and the University. As such, it is

their date of death. Note that this five year period does not apply in situations where a gift stipulates the naming in accordance with [Title 48 > EDCR 1A \(reg. 1.911-6 \(1\) - 5691\) - 0.2 \(e\) \(1\) \(a\) 3 \(1\) \(ii\) - \(a\) \(F\) 0](#)
