## **PUBLICATIONS**

### **Academic Books:**

#### **in progress:**

Annotated translation of Philoponus' *Commentary on Aristotle's Prior Analytics*, co-authoring with Riin Sirkel, to be part of Sorabji's Aristotle Commentators series: Riin and I finished our part in Spring of 2024 or Fall of '23: we're waiting for Richard McKirahan to finish their part.

A commentary on Plato's *Theaetetus*. 15% complete. A major scholarly undertaking.

Under contract with Routledge and perhaps 40% complete: Justus Lipsius' *Manuductio ad Stoicam Philosophiam*, an English translation with annotation, with facing page Latin (there is no English translation or even searchable edition of this important work of the late Renaissance). It should be over 200 pages, probably by a fair bit.

in progress, but largely complete:

5) Edition and annotated translation of Justus Lipsius *de Constantia*: mostly complete.

#### **published**

(4) *Selected Works of John Cotta*, Todd and Stephanie Pettigrew and Jacques Bailly, Brill, 2017. 163,000 words: Bailly's role was to cover all ancient sources (approx. 66,000 words in footnotes, of which Bailly wrote >75%).
